

Welspun Living | BUY

Margin recovery in sight; FY27 guidance optimistic

Welspun Living reported an EBITDA of INR2.5bn, higher than JMfe of 1.9bn. EBITDA was up ~55% QoQ driven by higher profitability from home textile segment (EBITDA up ~53% QoQ) and flooring segment (EBITDA up ~107% QoQ). Consequently, EBITDA margin came in at ~10.2%, up ~314bps QoQ. Revenue for the quarter came in at INR24.4bn, up ~8% QoQ as geopolitical headwinds moderated, with Home Textile revenue up 6.6% QoQ and Flooring revenue up ~10% QoQ. Key takeaways from the concall are a) FY27 revenue growth guidance at double-digits with EBITDA margin expected to expand into teens, b) company targets zero net debt by end-FY27 with FY27 capex guided at INR4-5bn towards modernisation and debottlenecking, and c) Nevada pillow facility has partially commenced operations with utility bedding revenues expected to scale from ~USD27mn in FY26 to ~USD60mn in FY27. Company noted discussions are ongoing with customers to share elevated (higher cotton / fuel prices) input costs while clarity on tariff refunds awaited. We believe multiple newer markets opening on the back of FTAs and GOI's focus on developing the textile ecosystem is likely to drive earnings trajectory for the company. Maintain BUY.

- Margins recover amidst a challenging year:** Consolidated EBITDA for Welspun Living stood at INR2.5bn, higher than JMfe of 1.9bn. EBITDA was up ~55% QoQ driven by higher EBITDA from home textile segment (up ~53% QoQ) and flooring segment (up ~107% QoQ). Consequently, EBITDA margin came in at ~10.2%, up ~314bps QoQ. Revenue for the quarter came in at INR24.4bn, up ~8% QoQ given subduing geopolitical headwinds with Home Textile segment revenue up 6.6% QoQ and Flooring revenue (up 10% QoQ). Adjusted PAT came in at INR1bn vs. INR192mn in 3QFY26, up significantly QoQ. Net Debt stood at ~INR7.75bn as at end of 4Q vs ~INR13bn as at end of 3Q. Company incurred a capex of ~INR4.7bn in FY26. Global brands contributed ~12% of revenues while Innovation contributed ~22% in FY26. The company has approved buyback of up to ~14mn equity shares worth ~INR2.5bn at a price of INR175 per share. Company has announced dividend 10% per equity share for the FY26.
- Muted performance across segments; domestic business a bright spot:** Home textile revenue increased QoQ by ~7% to INR23.1bn. The flooring business revenue increased by ~10% QoQ to INR1.9bn. Home textile business reported EBITDA of INR2.4bn with margins at 10.5% during 4QFY26 vs 7.3% in 3QFY26 as tariff-related customer discounts eased during the quarters. Flooring business reported EBITDA of INR60mn, up significantly by ~107% QoQ. Domestic business remained a key lever, growing 29.2% YoY in 4QFY26 and achieving EBITDA breakeven, with domestic flooring up 25.3% YoY. On utilisation, Bath Linen improved 5% QoQ to 79% while Bed Linen declined 19% QoQ to 57%, with Rugs & Carpets stable at 75%.
- FTA-led structural tailwinds set the stage for FY27 recovery:** Company guided double-digit revenue growth in FY27 with EBITDA margins expected to recover into the teens, backed by India's expanding FTA network - India-UK FTA signed Jul'25, India-EU FTA concluded Jan'26, and India-US bilateral trade discussions progressing. Non-US markets now contribute ~41% of consolidated revenues, providing a meaningful buffer against residual US tariff pressures. Company targets zero net debt by end-FY27 (from INR7.8bn currently), with FY27 capex guided at INR4-5bn largely towards modernisation and debottlenecking. Clarity on tariff refunds remains awaited given 80%+ of business operates on FOB terms.

Key Concall Takeaways:

- **FY27 Growth Visibility:** Management guided for double-digit revenue growth in FY27 backed by structural tailwinds, with EBITDA margins expected to expand into the teens.
- **Capacity Ramp-Up:** Nevada pillow facility has partially commenced operations with utility bedding revenue expected to scale from ~USD27mn in FY26 to ~USD60mn in FY27 (~2.2x); Ohio pillow facility continue to ramp-up with current utilisation at ~60%.
- **Capex & Efficiency:** FY27 capex guided at INR4-5bn largely towards modernisation and debottlenecking; BS strengthening and operational efficiency improvement to continue.
- Christy delivered ~15% growth on strong UK performance; soft flooring remains a high-margin segment with 20%+ margin potential.
- Company plans to go to zero net debt by the end of FY27 backed by improving margins and strong cash flows.
- Company has cotton inventory cover till October.
- Non-US markets now contribute ~41% of consolidated top-line, providing a meaningful buffer against US tariff headwinds.
- 4QFY26 margins were lower YoY on account of lower volumes and higher tariff related discounts; management indicated this as a quarter-specific dynamic.
- Discussions ongoing with customers on sharing higher input costs (cotton, fibres, fuel) amid a weaker rupee; tariff refund clarity awaited given 80%+ business on FOB basis.

Recommendation History Chart

APPENDIX I

Investment in securities market are subject to market risks. Read all the related documents carefully before investing.

Research Analyst(s) Certification

The Research Analyst(s), with respect to each issuer and its securities covered by them in this research report, certify that:

All of the views expressed in this research report accurately reflect his or her or their personal views about all of the issuers and their securities; and

No part of his or her or their compensation was, is, or will be directly or indirectly related to the specific recommendations or views expressed in this research report.

Rating System: Definition of ratings	
Rating	Meaning
BUY	Expected return $\geq$ 15% over the next twelve months.
ADD	Expected return $\geq$ 5% and $<$ 15% over the next twelve months.
REDUCE	Expected return $\geq$ -10% and $<$ 5% over the next twelve months.
SELL	Expected return $<$ -10% over the next twelve months.

Note: For REITs (Real Estate Investment Trust) and InvIT (Infrastructure Investment Trust) total expected returns include dividends or DPU (distribution per unit)

Important Disclosures

This research report has been prepared by JM Financial Institutional Securities Limited (JM Financial Institutional Securities) to provide information about the company(ies) and sector(s), if any, covered in the report and may be distributed by it and/or its associates solely for the purpose of information of the select recipient of this report. This report and/or any part thereof, may not be duplicated in any form and/or reproduced or redistributed without the prior written consent of JM Financial Institutional Securities. This report has been prepared independent of the companies covered herein.

JM Financial Institutional Securities is registered with the Securities and Exchange Board of India (SEBI) as a Research Analyst and a Stock Broker having trading memberships of the BSE Ltd. (BSE) and National Stock Exchange of India Ltd. (NSE). No material disciplinary action has been taken by SEBI against JM Financial Institutional Securities in the past two financial years which may impact the investment decision making of the investor. Registration granted by SEBI and certification from the National Institute of Securities Market (NISM) in no way guarantee performance of JM Financial Institutional Securities or provide any assurance of returns to investors.

JM Financial Institutional Securities renders stock broking services primarily to institutional investors and provides the research services to its institutional clients/investors. JM Financial Institutional Securities and its associates are part of a multi-service, integrated investment banking, investment management, brokerage and financing group. JM Financial Institutional Securities and/or its associates might have provided or may provide services in respect of managing offerings of securities, corporate finance, investment banking, mergers & acquisitions, broking, financing or any other advisory services to the company(ies) covered herein. JM Financial Institutional Securities and/or its associates might have received during the past twelve months or may receive compensation from the company(ies) mentioned in this report for rendering any of the above services.

JM Financial Institutional Securities and/or its associates, their directors and employees may; (a) from time to time, have a long or short position in, and buy or sell the securities of the company(ies) mentioned herein or (b) be engaged in any other transaction involving such securities and earn brokerage or other compensation or act as a market maker in the financial instruments of the company(ies) covered under this report or (c) act as an advisor or lender/borrower to, or may have any financial interest in, such company(ies) or (d) considering the nature of business/activities that JM Financial Institutional Securities is engaged in, it may have potential conflict of interest at the time of publication of this report on the subject company(ies).

Neither JM Financial Institutional Securities nor its associates or the Research Analyst(s) named in this report or his/her relatives individually own one per cent or more securities of the company(ies) covered under this report, at the relevant date as specified in the SEBI (Research Analysts) Regulations, 2014.

The Research Analyst(s) principally responsible for the preparation of this research report and their immediate relatives are prohibited from buying or selling debt or equity securities, including but not limited to any option, right, warrant, future, long or short position issued by company(ies) covered under this report. The Research Analyst(s) principally responsible for the preparation of this research report or their immediate relatives (as defined under SEBI (Research Analysts) Regulations, 2014); (a) do not have any financial interest in the company(ies) covered under this report or (b) did not receive any compensation from the company(ies) covered under this report, or from any third party, in connection with this report or (c) do not have any other material conflict of interest at the time of publication of this report. Research Analyst(s) are not serving as an officer, director or employee of the company(ies) covered under this report.

While reasonable care has been taken in the preparation of this report, it does not purport to be a complete description of the securities, markets or developments referred to herein, and JM Financial Institutional Securities does not warrant its accuracy or completeness. JM Financial Institutional Securities may not be in any way responsible for any loss or damage that may arise to any person from any inadvertent error in the information contained in this report. This report is provided for information only and is not an investment advice and must not alone be taken as the basis for an investment decision.

This research report is based on the fundamental research/analysis conducted by the Research Analyst(s) named herein. Accordingly, this report has been prepared by studying/focusing on the fundamentals of the company(ies) covered in this report and other macro-economic factors. JM Financial Institutional Securities may have also issued or may issue, research reports and/or recommendations based on the technical/quantitative analysis of the company(ies) covered in this report by studying and using charts of the stock's price movement, trading volume and/or other volatility parameters. As a result, the views/recommendations expressed in such technical research reports could be inconsistent or even contrary to the views contained in this report.

The investment discussed or views expressed or recommendations/opinions given herein may not be suitable for all investors. The user assumes the entire risk of any use made of this information. The information contained herein may be changed without notice and JM Financial Institutional Securities reserves the right to make modifications and alterations to this statement as they may deem fit from time to time.

This report is neither an offer nor solicitation of an offer to buy and/or sell any securities mentioned herein and/or not an official confirmation of any transaction.

This report is not directed or intended for distribution to, or use by any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject JM Financial Institutional Securities and/or its affiliated company(ies) to any registration or licensing requirement within such jurisdiction. The securities described herein may or may not be eligible for sale in all jurisdictions or to a certain category of investors. Persons in whose possession this report may come, are required to inform themselves of and to observe such restrictions. Additional disclosure only for U.S. persons: JM Financial Institutional Securities has entered into an agreement with JM Financial Securities, Inc. ("JM Financial Securities"), a U.S. registered broker-dealer and member of the Financial Industry Regulatory Authority ("FINRA") in order to conduct certain business in the United States in reliance on the exemption from U.S. broker-dealer registration provided by Rule 15a-6, promulgated under the U.S. Securities Exchange Act of 1934 (the "Exchange Act"), as amended, and as interpreted by the staff of the U.S. Securities and Exchange Commission ("SEC") (together "Rule 15a-6").

This research report is distributed in the United States by JM Financial Securities in compliance with Rule 15a-6, and as a "third party research report" for purposes of FINRA Rule 2241. In compliance with Rule 15a-6(a)(3) this research report is distributed only to "major U.S. institutional investors" as defined in Rule 15a-6 and is not intended for use by any person or entity that is not a major U.S. institutional investor. If you have received a copy of this research report and are not a major U.S. institutional investor, you are instructed not to read, rely on, or reproduce the contents hereof, and to destroy this research or return it to JM Financial Institutional Securities or to JM Financial Securities.

This research report is a product of JM Financial Institutional Securities, which is the employer of the research analyst(s) solely responsible for its content. The research analyst(s) preparing this research report is/are resident outside the United States and are not associated persons or employees of any U.S. registered broker-dealer. Therefore, the analyst(s) are not subject to supervision by a U.S. broker-dealer, or otherwise required to satisfy the regulatory licensing requirements of FINRA and may not be subject to the Rule 2241 restrictions on communications with a subject company, public appearances and trading securities held by a research analyst account.

Any U.S. person who is recipient of this report that wishes further information regarding, or to effect any transaction in, any of the securities discussed in this report, must contact, and deal directly through a U.S. registered representative affiliated with a broker-dealer registered with the SEC and a member of FINRA. In the U.S., JM Financial Institutional Securities has an affiliate, JM Financial Securities, Inc. located at 1177 Avenue of the Americas, 5th Floor, Offices 5045 and 5046, New York, New York 10036. Telephone +1 (332) 900 4956 which is registered with the SEC and is a member of FINRA and SIPC.

Additional disclosure only for U.K. persons: Neither JM Financial Institutional Securities nor any of its affiliates is authorised in the United Kingdom (U.K.) by the Financial Conduct Authority. As a result, this report is for distribution only to persons who (i) have professional experience in matters relating to investments falling within Article 19(5) of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005 (as amended, the "Financial Promotion Order"), (ii) are persons falling within Article 49(2)(a) to (d) ("high net worth companies, unincorporated associations etc.") of the Financial Promotion Order, (iii) are outside the United Kingdom, or (iv) are persons to whom an invitation or inducement to engage in investment activity (within the meaning of section 21 of the Financial Services and Markets Act 2000) in connection with the matters to which this report relates may otherwise lawfully be communicated or caused to be communicated (all such persons together being referred to as "relevant persons"). This report is directed only at relevant persons and must not be acted on or relied on by persons who are not relevant persons. Any investment or investment activity to which this report relates is available only to relevant persons and will be engaged in only with relevant persons.

Additional disclosure only for Canadian persons: This report is not, and under no circumstances is to be construed as, an advertisement or a public offering of the securities described herein in Canada or any province or territory thereof. Under no circumstances is this report to be construed as an offer to sell securities or as a solicitation of an offer to buy securities in any jurisdiction of Canada. Any offer or sale of the securities described herein in Canada will be made only under an exemption from the requirements to file a prospectus with the relevant Canadian securities regulators and only by a dealer properly registered under applicable securities laws or, alternatively, pursuant to an exemption from the registration requirement in the relevant province or territory of Canada in which such offer or sale is made. This report is not, and under no circumstances is it to be construed as, a prospectus or an offering memorandum. No securities commission or similar regulatory authority in Canada has reviewed or in any way passed upon these materials, the information contained herein or the merits of the securities described herein and any representation to the contrary is an offence. If you are located in Canada, this report has been made available to you based on your representation that you are an "accredited investor" as such term is defined in National Instrument 45-106 Prospectus Exemptions and a "permitted client" as such term is defined in National Instrument 31-103 Registration Requirements, Exemptions and Ongoing Registrant Obligations. Under no circumstances is the information contained herein to be construed as investment advice in any province or territory of Canada nor should it be construed as being tailored to the needs of the recipient. Canadian recipients are advised that JM Financial Securities, Inc., JM Financial Institutional Securities Limited, their affiliates and authorized agents are not responsible for, nor do they accept, any liability whatsoever for any direct or consequential loss arising from any use of this research report or the information contained herein.
